If your child is going to be absent for any reason, please send a brightwheel message to your child's teacher. Our recommendation is to bring your child before the circle time starts, this is one of the most important parts of the day for learning. As a result, consistent routines prepare children for the transition to kindergarten.

One of our main purposes is to always maintain safety and quality care. We ask all parents to refrain from the use of phones and other electronic equipment within daycare and at the same time we encourage you to have this interaction with your children at home. As a reminder, we (Parents and daycare) are a very important connection in the lives of children in childhood.
